

**SNIPES FARM 2008 CSA MEMBERSHIP**

Thank you for your interest in the CSA at Snipes Farm. We look forward to growing beautiful and nutritious produce for you!

Between June and October you can look forward to stopping by the farm or a site in Newtown to pick up your ½ bushel box of freshly picked vegetables. There will also be u-pick blueberries, peas, beans and apples available. Laura Jackson, the CSA coordinator, will be including a newsletter with your box.

**\*\*We require each member household to volunteer at the farm four hours sometime within the growing season. \*\*** This will be a big help to us, and give you a chance to witness first hand where food comes from, the beauty of it all and to get to know the farmers and other fabulous CSA members.

We will let you know as soon as seeds are set in the greenhouse, so you can be excited about what is to come!

**Please send this form and a check made out to *Snipes Farm* for \$500 to:**

**Snipes Farm
